Vision

**Create jobs and prosperity in the
agricultural economy.**

Mission

- **Develop the process for creating jobs and prosperity**
- **Focus on ideas (niche markets)**
- **Explore and Investigate**
- **Put in place action plans**
- **Add value to locally grown agricultural products**
- **Locate and secure resources**

Point to Ponder...

As Georgia's leading industry, agribusiness contributes a \$56.7 billion impact to Georgia's economy, and connects companies involved in every sector of the industry, from agriculture and manufacturing, nutraceuticals and organics, renewable fuel biomass production, to packaging and distribution, and technology-based solutions.
