Site Selection [1]

INFRASTRUCTURE and the Capacity for Growth

Toombs County offers several options for companies seeking either land or building sites. There are dozens of options - all providing easy access to the east/west I-16 corridor. The Toombs Corporate Center at U.S. Hwy. 1 in Lyons, GA is a 260-acre industrial park that features class A industrial and manufacturing facilities as well as building sites. Additionally, Toombs County is very competitive pricing for land combined with its central location and proximity to major markets translates to one of the most efficient areas to do business in the state.

We understand the complex criteria and the processes involved in site selection for expanding and relocating businesses. That's why the Toombs County Development Authority keeps an experienced team made up of both public and private sector individuals to assist companies with their needs.
