Toombs County Long Range Transportation Plan - WE NEED YOUR INPUT [1]

On 03 Jun, 2019

[2]

The Toombs County Development Authority was pleased to participate in conversations regarding the Toombs County Long Range Transportation Plan at a Stakeholder Advisory Group Meeting on May 30, 2019.

Our community's transportation infrastructure is a huge factor in our current and long-term economic development efforts.

The study's success relies on the involvement and input of local residents, community leaders, businesses and employees. This is your chance to get involved. Please click the image to learn more and participate in a very import survey.
