Brewton-Parker College Ranks 18th on the National Campus Ethnic Diversity **[1]**

On 15 Sep, 2021

Brewton-Parker College has been ranked 18th on the National Campus Ethnic Diversity list.
What does that mean?
BPC is considered one of the top 20 schools across the country where students are most likely to be in class with other students from different racial and ethnic groups.
BPC is also tied 106th for Social Mobility across the nation. Social Mobility is the amount of students who graduated from the college and received the federal Pell Grant.
