Employers Invited to Participate in Southeastern Technical College (STC) Job Fairs 2022 **[1]**

On 04 Mar, 2022

The Southeastern Technical College (STC) Job Fairs 2022 are scheduled for Tuesday, April 26th, from 9:00 am – 12:00 pm on the Vidalia Campus and Thursday, April 28th, from 9:00 am – 12:00 pm on the Swainsboro Campus. The career fair will be promoted on local radio and social media. STC students and alumni from surrounding counties are invited.

These past two years have been unprecedented in just about every way possible. STC realizes there are new challenges in connecting with the local workforce. Local employers are invited to participate at no cost and encouraged to take this opportunity to visit with motivated students and other job seekers eager to discuss area employment needs and career possibilities. In order to allow adequate space for all participants, each employer will be assigned only one table for display information. Booths may be set up as early as 8:00 a.m. Please be creative! Make your booth stand out!! f you need electricity, please indicate so on the registration form. If you would like to have the ability to interview on site, STC can have rooms available for you. Coffee and light refreshments will be provided for employers.

STC requests employers complete registration regardless of your organization plans to participate. Registration may be completed online at http://www2.southeasterntech.edu/student_services/career_fair.html [2]

Please contact Lance Helms, Director of Career Services, Southeastern Technical College, at lhelms@southeasterntech.edu or 912.538.3207 with questions, comments, or concerns.
