Employers Invited to Participate in Southeastern Technical College (STC) Job Fairs 2023 [1]

On 01 Mar, 2023

The Southeastern Technical College (STC) Job Fairs 2023 are scheduled for Tuesday, April 25th, from 9:00 am – 11:00 am on the Vidalia Campus and Thursday, April 27th, from 9:00 am – 11:00 am on the Swainsboro Campus. The career

fair will be promoted on local radio and social media. All job seekers are invited to participate.

Local employers are invited to participate at no cost and encouraged to take this opportunity to visit with motivated students and other job seekers eager to discuss area employment needs and career possibilities. In order to allow adequate space for all participants, each employer will be assigned only one table for display information. Booths may be set up as early as 8:00 a.m. Please be creative! Make your booth stand out! If you need electricity, please indicate

so on the registration form. If you would like to have the ability to interview on site, STC can have rooms available for you. Coffee and light refreshments will be provided for employers.

STC requests employers complete registration regardless of your organization plans to participate. Registration may be completed online at Employment Fair 2023 (southeasterntech.edu) [2]

Please contact Lance Helms, Director of Career Services, Southeastern Technical College, at lhelms@southeasterntech.edu or 912.538.3207 with questions, comments, or concerns.
