[Economic Competitiveness Redbook](#) [1]

On 30 Jan, 2025

The Georgia Chamber Foundation is committed to providing in-depth economic insights that help shape policy, empower businesses, and drive economic growth across the state. One of our key resources is the annual **Economic Competitiveness Redbook**, which offers valuable data and analysis on Georgia's economic landscape. You can access the 2025 edition [here](#) [2].
