Future of Work Pt. 1: Classroom Takeover @SECCA

Are you ready to take charge of your future? Join us for an interactive skills mapping and career alignment workshop.

This interactive, one-hour session is designed to empower students to:

- **Identify Your Strengths** - Discover what makes you unique and how your skills can shape your future.
- **Explore Career Paths** - Align your passions with professional opportunities that excite you.
- **Create a Personalized Skills Map** - Build a roadmap to achieve your career goals and set yourself up for success.

Whether you're just starting to think about your career or looking for clarity on your next steps, this workshop is the perfect opportunity to gain insights and tools for personal and professional growth.

Wednesday
April 30th | at SECCA

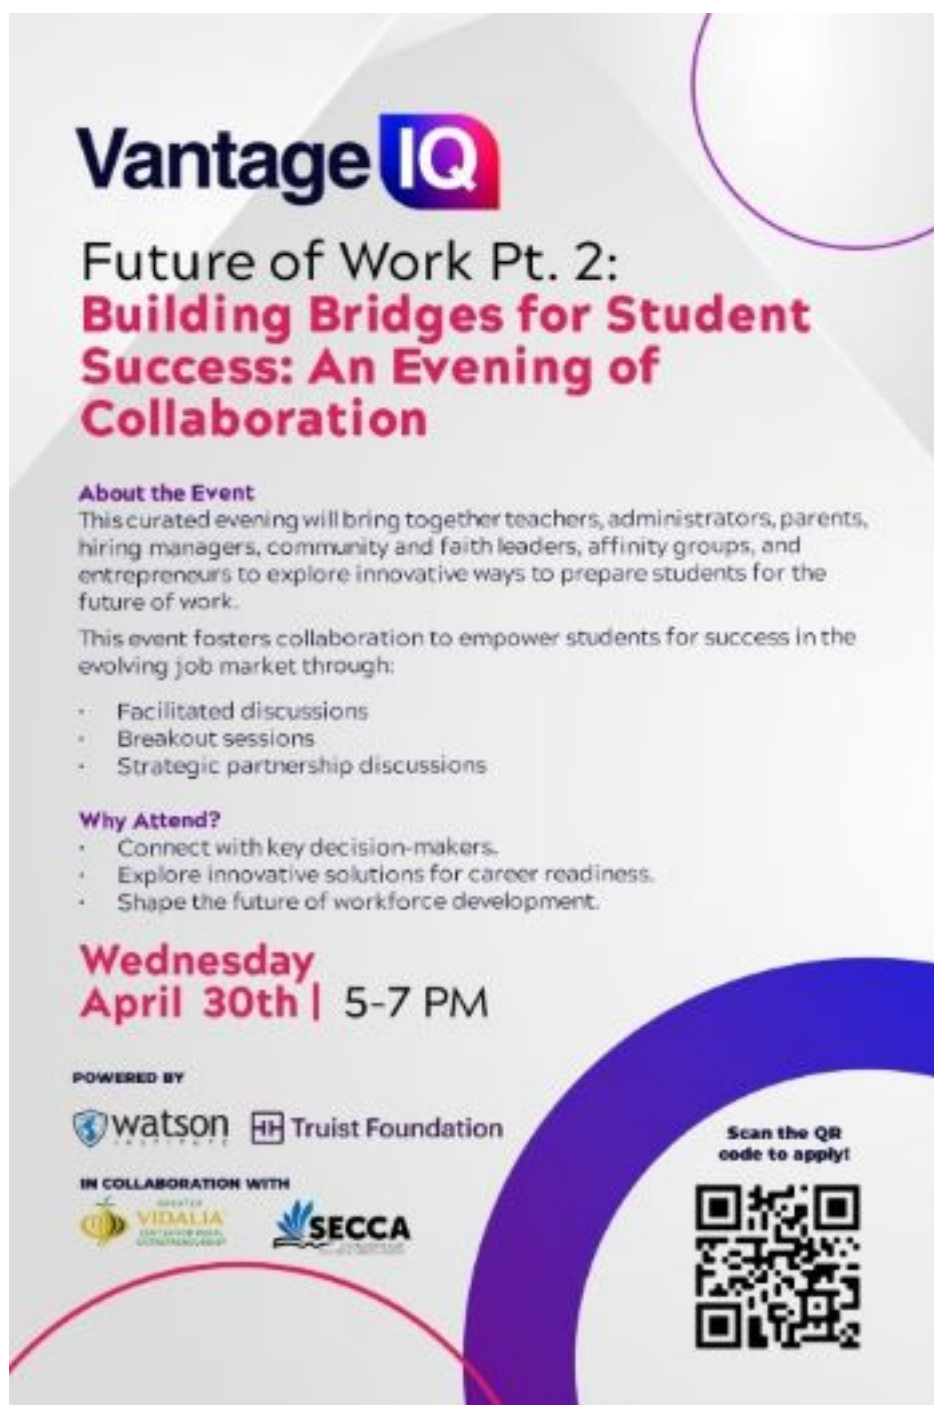

This event is limited to SECCA students only.

Future of Work Pt. 2: Building Bridges for Student Success: An Evening of Collaboration

About the Event
This curated evening will bring together teachers, administrators, parents, hiring managers, community and faith leaders, affinity groups, and entrepreneurs to explore innovative ways to prepare students for the future of work.

This event fosters collaboration to empower students for success in the evolving job market through:

- Facilitated discussions
- Breakout sessions
- Strategic partnership discussions

Why Attend?

- Connect with key decision-makers.
- Explore innovative solutions for career readiness.
- Shape the future of workforce development.

**Wednesday
April 30th | 5-7 PM**
