[Call to Action for Builders, Developers, Existing Industries, and Others Using Natural Gas in Daily Operations](#) **[1]**

On 12 Feb, 2026

It's that time of year again...time for the Atlanta Gas Light Company (AGLC) Annual Universal Service Fund (USF) Survey! Responses will be used to assist the community in preparing for future growth and development!

Please click the link below to go directly to the survey. It is open now and will remain open through April 30, 2026. Builders, developers, existing industries, and others using natural gas in daily operations are encouraged to submit project(s) for consideration for the 2026-2027 USF program. Typically, these are larger projects that would not be economically feasible under the current line extension policy.

Submissions will be compiled and evaluated once the survey has concluded. AGLC will then submit to the Georgia Public Service Commission on or around September 1st for project selection and approval of the overall plan. The PSC typically provides project approvals in December.

Survey Link: <https://www.surveymonkey.com/r/HDRSPNF> [2]

Please direct questions to Mark Clay, Manager – Economic Development and S. Ga. Gov't Affairs, at (678)278-5276 or mtclay@southernco.com [3]
