[Hotel Market Feasibility Study for the City of Lyons](#) [1]

On 10 Jul, 2026

The City of Lyons has contracted with Core Distinction Group to conduct a Hotel Market Feasibility Study. Local insights are essential to ensuring the study reflects the real needs and perspectives of those who live and work here.

The survey will take just a few minutes to complete, and local feedback will:

- Help determine the potential for new hotel development
- Provide data that could attract investment
- Support local economic growth initiatives

Please share your perspective by completing the survey [here](#) [2] by August 7, 2026.

The Hotel Market Feasibility Study is of high value to the entire community as it will bridge the gap between local needs and the economic realities of hotel development, ensuring that proposed projects are not only desirable but also viable, profitable, and aligned with community goals.
