[First TIA Project Beginning in Toombs County](#) [1]

On 18 May, 2013

The State Transportation Board and Georgia DOT officials announced the first local TIA funded project is set to begin on SR 130 in Toombs County. The project will add a dedicated turn lane to serve a new pet food manufacturing facility that will bring a \$25 million private capital investment and between 100 and 150 new jobs to the area.
