## [Ribbon-Cutting Held For Family Health Center at DOT Foods](#) [1]

On 15 May, 2013

May 15, 2013 - The Family Health Center is an on-site medical clinic for the care of DOT Foods employees and their family members. The Family Health Center, as part of a partnership with TransformHealthRx, will provide free maintenance care on some illnesses, as well as free preventative and wellness visits. The clinic also provides affordable, accountable and accessible care for acute issues
